Enough has been said now to illustrate mind and heart are like their God-measurcless. After the three-score years have emptied their varied riches have emptied their varied riches into it, it wakes as from a sleep and asks

In weary or sick or melancholy hours life seems indeed a routine, and then with Solomon or the sad ones here and there we complain and would welcome come that the next day may seem the better. Out of melancholy hours comes much poetry that is beautiful in deed, but which is false as a universal philosophy. The poet says:

For we are the same that our fathers have We sen the same sights that our fathers have We drink the same stream and we view the And we run the same course that our fathers have run."

"The the'ts we are thinking our fathers would think;
From the death we are shrinking our fathers did shrink;
Te the life we are chaging to they, too, would National League of America, dated Lin-

and strength as though he were climbing a mountain whose summit is the skies. Feel not then, brothren, that life is a dull routine, and that its giory departed when you were young. If any such feeling pervades you, then are you betrayed by too much toll or too little. Something is oreaking your heart. Your pursuit is not noblegenough, or else you are wearing out body and soul in its bondage. It should be, for such is the aternas law of God, that each new day were spreading a new banquet for you, and that daily bread

new banquet for you, and that daily bread were falling from heaven just for you. As next Jone will come with richer foliage and blossoms than those of Io-day, so next year will come to thy soul with better thoughts and better serious. and better actions.

Far more than the sentiments of Miss Martineau should we love the words of suother woman, who saw the universe thro' other eyes:

thro' other eyes:
Life' we've been long together,
Thro' pleasant and thro' cloudy weather,
The hard to past when friends are dear;
Pernaps 'twill cost sigh, a lear,
Then steel away, give little warning;
Choose thine own time;
Say not "good night," but in some brighter
clime
Bid me, "good moraing."
Let us all feel that it will require ap-

other life to furnish a full answer to this petition. The "daily bread" which comes here does not satisfy the heart. We want longer days for our learning
